**LETTER OF WELCOME TO PARENTS
2021-2022**

Dear Our Lady of Grace Families,

Welcome to Our Lady of Grace Catholic School for the 2021-2022 school year. Our curriculum is driven by the teachings of the Catholic Church in order for our students to model Christ through being actively unifying, truthful, and loving. Our Student Learning Expectations or SLEs, are also referred to as our Core Values. Here is how the Parent/Student Handbook ties this all together.

Unity: As educators in the faith community of OLG, we work to keep parents and students informed, educated and included in all aspects of our students' development. This document is written to ensure we are unified in our commitment in all we do for our students.

Truth: We strive for open lines of communication between school and home to assure that the truth of all situations is revealed.

Love: All that we do as parents/teachers/students is done with the understanding all stakeholders are to be treated the way God intended, with respect at all times. As principal, my door is always open and I encourage both parents and students to share questions or concerns with me as they come up. We are always working on creating "gracious space" in our interactions with one another knowing God is a God of love and understanding and we are here to do His work.

In the name of Unity, Truth, and Love,

Mrs. Kathy Gannon-Briggs, Principal

I. GUIDING PRINCIPLES, PERSONNEL AND GOVERNING BOARDS

**Diocese of Oakland
Maintaining a Positive Home-School-Partnership**

All schools in the Diocese of Oakland are intended to be environments that educate, nurture and support students according to basic Catholic principles. Everyone involved in the development of children and youth, teachers, administrators, parents, family and friends, is required to behave in accordance with these principles. These Catholic principles include but are not limited to the following:

- 1. Parents, guardians, family members, childcare providers and friends (including but not limited to grandparents, stepparents, siblings) are expected to work courteously and cooperatively with the school in all areas of the school and student life. This principle is intended to broadly apply to all on and off campus behavior that affects the school in any way.*
- 2. Students, parents, guardians and family members may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive and must use appropriate channels of communication to raise these concerns. Appropriate channels of communication include contacting the teacher or the principal directly by phone or email. Inappropriate channels of communication include posting information on Facebook or similar social media, using the school’s contact list to email or text others. Such channels of communication are considered divisive and not designed to lead to a resolution of the issue in the most respectful and Christ-centered manner.*
- 3. A parent with concerns regarding the behavior of another student must direct the concern to the classroom teacher or principal, not to the child or the child’s parents.*

Parents, guardians or other responsible adults who violate these Catholic principals may be asked to withdraw their student from the school. Conduct that materially disrupts class work or extracurricular activities or that involves substantial disorder will not be tolerated.

These expectations for students, parents, guardians or other responsible adults include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.). The School reserves the right to determine, in its discretion, when conduct is of such a nature as to warrant any action including asking that the parent withdraw his/her student(s) from the School. It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Catholic principles of the school, as determined by the School in its sole discretion.

Our Lady of Grace School Mission Statement

Our Lady of Grace Catholic School serves a diverse community, and models Christ through unity, truth, and love to create a balance of spiritual, academic, and social growth.

Philosophy and Goals

Dedicated to living Christ's message, Our Lady of Grace is a Catholic school made up of students, faculty, staff, and families working together with love and respect. While recognizing parents as the primary educators of their children, our community works together to develop individuals who are prepared to think critically, are imbued with a strong sense of self-worth, and are filled with a Christ-like approach to others.

History of Our Lady of Grace Catholic School

On September 19, 1947, Our Lady of Grace was established by the Most Reverend John J. Mitty, Archbishop of San Francisco. During this time, ground was broken for Our Lady of Grace Church, and a small congregation was established. Eight years later, under the guidance of Reverend Patrick Stack (for whom our Stack Center is named), Our Lady of Grace School was established. Nine members of the Carmelite Sisters of Charity arrived from Madrid, Spain to greet 250 students in grades 1-4. One class was added each year until the school served students in grades 1-8.

On July 1, 1980, Our Lady of Grace Parish was transferred to the California Augustinians with Father Vincent McGarvey, OSA, serving as pastor. The Augustinians continued to serve the parish and school until June 30, 2015. As of July 1, 2015, Our Lady of Grace Parish and School are served by the Conventual Franciscan Friars of California. Father Thomas Czeck is the Pastor.

BOARDS AND ORGANIZATIONS

1. Diocesan School Board

A Diocesan School Board is appointed by the Bishop to act in an advisory capacity to the Superintendent and to himself. The responsibilities of the Diocesan School Board include: discussion of any major change in the operation or organization of a school, recommendation of policies affecting the standards of education, finance, salary scales for school personnel, and promotion of effective public relations on behalf of Catholic education.

2. Our Lady of Grace School Board

Just as the Diocesan School Board acts in an advisory capacity to the Bishop and Superintendent, so does the local School Board act in a consultative capacity to the Pastor and Principal.

Our Lady of Grace School Board’s mission is to bring its wisdom, talent, experience, faith life and good will into the process of providing quality education for all the children served by the school. The OLG School Board furnishes the support and leadership to carry out the Church’s commitment to Catholic education by focusing on strategic, long-term planning for the school.

Those who serve on Catholic school boards, both Diocesan and local school boards, support an environment for the teaching of the Catholic faith, the building and experiencing of community, the serving of others and the opportunity for worship. They are called to model what they identify as the purpose of Catholic education.

3. Our Lady of Grace School Parents Group

The Parents Group at Our Lady of Grace School is a dedicated group of school parents. Unlike the OLG School Board whose mission is focused on long-term planning, the Parents Group mission is to bring their gifts and talents into the successful completion of current school year events. Through their dedicated community and fundraising efforts, they help to welcome all school families into OLG, build school spirit, and raise the funds necessary to

make planned enhancements a reality for the school. All parents/guardians are invited to be members of the Parents Group.

Academic Honesty

Honesty is expected of students in the performance of all academic work. Cheating, plagiarism, or doing another person’s homework assignment are all forms of academic dishonesty. All student work—class work, discussion, homework, projects, tests and quizzes—are used as assessment to evaluate the student’s understanding and skill level. Authentic assessment is only possible if students are responsible for their own work. Allowing another student to copy one’s work during a quiz or exam is academic dishonesty. Plagiarism includes, but is not limited to, copying or sharing the work of another and submitting it as one’s own. Any student who violates the academic honesty policy will immediately receive a failing grade on the exam or assignment. The student’s parents will be notified of the incident. Academic dishonesty may lead to other disciplinary procedures, including expulsion. Any form of verbal or nonverbal communication between students during an assessment will result in a failed grade.

CONFERENCES**1. Scheduled by School**

Parent/Teacher Conferences are held for 15-minute periods in most grades. They are held before the end of the first trimester. Parents are encouraged to prepare by making a list of questions about how their child is doing academically and/or socially.

2. Requested by Parent

Parents desiring longer conferences than those scheduled by the school, or parents who wish to meet with the teacher at times throughout the year, are encouraged to email the teacher or call the office to request a return call from the teacher.

3. Guidelines

- a. Please discuss classroom concerns with the teacher before bringing them to the principal.
- b. Please refrain from lengthy email discussions, as a phone call or meeting are the preferred methods for finding common ground.

HOMEWORK

The purpose of homework is to reinforce material already taught in class, to continue or finish some work begun in class, and to foster habits of independent study. Periodically, parents' assistance may be needed to help with homework or provide materials for special projects. If difficulties should arise regarding homework assignments, please consult the teacher for directives or clarification. Homework may be assigned over the weekend at the discretion of the teacher.

Missing/Late assignments:

Policies for late or missing work fall under the discretion of the individual teachers.

Planned Absences:

Classroom teachers will not provide schoolwork for students with planned absences or vacations. Students are expected to coordinate with a study buddy or by monitoring the teacher's Google Classroom or website.

STUDENTS WITH SPECIAL NEEDS

Our Lady of Grace Catholic School uses a Student Success Team (SST) approach to assist students in need of learning support. The Learning Support Coordinator works with each identified student, their families, and teachers to draft an Individualized Learning Plan (ILP). The ILP is a record of the accommodations or modifications a student may need in order to help them access the curriculum. SST Meetings or concerns may be addressed by contacting the classroom teacher or Learning Support Coordinator, Shyra Dawson sdawson@cndo.org. Our Lady of Grace Catholic School is committed to providing an inclusive learning environment by using the resources available.

PROMOTION AND RETENTION

1. Promotion/Transferred

A student satisfactorily completing each grade's work will be promoted to the next grade. A student who does not complete grade level work in core subjects will receive a report card stating "transferred" to grade _____. A summer tutorial program agreed upon by the school may be assigned to a child to complete to remove the "transferred" designation and replace it with "promoted".

2. Retention

Retention is only appropriate for developmental readiness reasons, in grades TK, 1, and 2. Beyond these grades, it should not be considered without an extraordinary reason, and then only after consultation with the Superintendent of Catholic Schools. Both parents/legal guardians and teachers must consider the necessity of providing special assistance (e.g. tutoring, summer school, etc.) to the student in question or of directing the student toward some alternative program which is more realistically suited to his/her needs.

III. ADMISSIONS

ENTRANCE REQUIREMENTS

1. Minimum Age

Age requirements for admittance to Our Lady of Grace Catholic School are in compliance with the State of California. A student entering kindergarten must have turned 5 years old before September 1. A student entering transitional kindergarten must have turned 5 years old by March 2.

2. Records at Entrance

Students entering school for the first time are required to bring a birth record, a baptismal-communion record (if applicable), the most recent report card, and a record of state-required immunizations. Children may be accepted, but will not be allowed to begin school, without submitting a current immunization record.

3. Transfer Student Process and Requirements

Students transferring from another school must meet the same academic requirements as other new students. In addition, all financial obligations to the previous school must be current.

4. Special Needs

Admission of students with special needs will be dependent on the school program's ability to meet those needs.

5. Probationary Period

All new students are admitted on a probationary period for the first trimester. This is based on academics, behavior, and ability to meet financial responsibilities. Conferences will be held with the parents as needed and further probationary periods may be granted, as

determined by the Principal and teacher. All possible support will be given to the student in order to assure a satisfactory adjustment. If satisfactory academic and social transition has not occurred, a conference with parents will be held and the student will be dismissed.

ACCEPTANCE TO OLG

Before acceptance, all students will be interviewed and assessed for placement according to their grade level. By the time of assessment, a “Request for Information Prior to Acceptance” form must be completed by the previous school and received by Our Lady of Grace School for evaluation. The last report card received must be provided before admittance. The principal, in consultation with the classroom teacher, makes the decision for acceptance.

When a child is transferring to another school, the parent will submit written notification to the teacher and Principal at least one week in advance of transfer. Academic and health records will be sent to the new school upon request from that school after written authorization of the parent giving permission to release records. Withdrawal whether voluntarily or involuntarily during the school year does not excuse the family from their full tuition obligation for the year.

ENROLLMENT AND TRANSFERS

1. Non-Renewal of Student Enrollment

If it is determined that the school cannot serve the child to his or her benefit, or due to the repeated uncooperative or destructive attitude of the student or parent/legal guardian, or due to excessive tardies and/or absences, the school maintains the right to not accept the child for continued enrollment.

2. Procedures for Recommended Transfer

Students clearly unable to benefit from the school by reason of ability, serious emotional instability, repeated uncooperative or destructive behavior, or the repeated uncooperative or destructive attitude of parent/legal guardian will be asked to transfer when:

- The school has explored means to meet the needs of the child.
- There has been sufficient discussion with the parent/legal guardian concerning the child’s condition or the parent/legal guardian’s attitude.
- The transfer is to take place at the end of a grading period, preferably at the end of an academic year.

The final decision is made by the principal in consultation with the Pastor and Superintendent of Catholic Schools.

3. Students Leaving Mid-year

Students who leave during the school year are not eligible for participating in graduation or end of the year school sponsored events.

IV. STUDENT SAFETY

A. Safe Environment for Children Project (SECP) and Fingerprinting

1. Each parent is required to be SEC trained in a three year cycle. The Oakland Diocesan Safe Environment for Children Project has been developed in cooperation with the Oakland Diocesan Presbytery Council in compliance with the adoption of the Charter for the Protection of Children and Young People developed at the US Conference of Catholic Bishops, June 2002. Adherence to the policy and implementation of the project is a mandate from Bishop Barber. Each year, staff and volunteers who work with children are required to be SEC trained to help adults identify signs of possible abuse or neglect in children. Without completing the training, parents and any other adults will not be allowed to volunteer for any activities at school that put them in contact with our children. Training occurs in a three year cycle. The online training for Safe Environment training is [Virtus online.org](http://Virtusonline.org).
2. Each parent is required to be fingerprinted if the parent wishes to work with our school children in any capacity, such as driving on field trips or assisting in the classroom. The Diocese accepts fingerprinting by Livescan **only** and it is a one time requirement.

B. Child Abuse or Neglect

Child abuse is any act of commission/omission that endangers or impairs a child's physical or emotional health and/or development. This includes:

1. physical abuse or corporal punishment
2. emotional abuse or deprivation
3. physical neglect and/or inadequate supervision
4. sexual abuse and/or exploitation

School personnel are required by law to report any reasonable suspicion of child abuse. Determining whether or not the suspected abuse actually occurred is not the responsibility of the educator, but that of the child protective agency.

C. Earthquake/Fire/Evacuation

ALL Students will be retained on school grounds until dismissed to the care of the parent or guardian or an adult who has been listed on the child's emergency card. **NO CHILD WILL BE ALLOWED TO GO HOME ALONE. THIS INCLUDES STUDENTS WHO OTHERWISE HAVE PERMISSION TO WALK HOME. STUDENTS WILL ONLY BE DISMISSED TO AN**

ADULT NAMED ON THEIR EMERGENCY CARD. The adult to whom they are being dismissed signs out the students.

D. Emergency Information Card

The school has a file containing current emergency care information for each student. Each parent is responsible for keeping the information current during the year and annually updating it. In emergencies information, such as that found on the emergency information card, may be released to appropriate persons if it is necessary in the judgment of the Principal or his/her designee to protect the health or safety of the student or other persons.

E. School Lock Down

In some situations it may be necessary to have a school lockdown. As per police recommendations, the following procedures will be implemented for a school lockdown:

1. Doors will be locked.
2. Drapes and/or blinds will be closed.
3. No one will be permitted to enter or leave the building.
4. Lock-down will continue until the school receives an “all clear” signal from emergency personnel.
5. Parents should not call the school, so that the phone will be available to emergency personnel.

F. Alcohol/Smoking Policy

1. Alcohol will not be served or consumed on school premises during the workday while children are present.
2. Alcohol will not be served or cleaned up by children.
3. Alcohol will not be served or consumed during any school-sponsored field trip by anyone.
4. The Roman Catholic Welfare Corporation is committed to a philosophy of good health, a safe working environment. In keeping with this policy all school site buildings and property are 100% smoke-free at all times.

G. Asbestos Notification

The diocese requires a yearly asbestos evaluation. No work is done on the premises involving asbestos during the school year.

H. Lunches

No food deliveries from companies such as DoorDash are allowed. If a student forgets a lunch, a parent may drop it off.

I. Forgotten Texts or Homework

Students who forget work or texts at home are to bring them the next day. Once students are dismissed, books or work forgotten in the classroom may not be retrieved. **No classrooms may be entered after dismissal.**

J. Supervision of Students

Liability for supervision and control of students shall be assumed by the school fifteen (15) minutes before the first bell in the morning and end fifteen (15) minutes following the last bell of the school day, except for students participating in school-sponsored extracurricular programs.

K. Student ID Cards

SB972 (a) Commencing July 1, 2019, a public school, including a charter school, or a private school, that serves pupils in any of grades 7 to 12, inclusive, and that issues pupil identification cards shall have printed on either side of the pupil identification cards the telephone number described in paragraph (1) and may have printed on either side of the pupil identification cards the telephone numbers described in paragraphs (2) and (3):

1. The telephone number of the National Suicide Prevention Lifeline, 1-800-273-8255.
2. The Crisis Text Line, which can be accessed by texting HOME to 741741
3. A local suicide prevention hotline telephone number.

STUDENT DROP OFF/PICK-UP

For the safety of our children the following procedures are to be used for arriving at school in the morning and exiting in the afternoon. (see page 42 for map)

A. Regular Days

In the morning, all cars must enter the school grounds using the San Miguel Ave or Somerset Ave. entrance and exit via Anita Avenue. **In the afternoon**, all cars must enter school grounds using the San Miguel Ave entrance only. The San Miguel gate will be opened 20 minutes before dismissal and closed 10 minutes after dismissal. Drivers picking up TK- 3rd graders and older siblings must exit via Anita Avenue. Drivers picking up 4th - 8th graders must exit via Somerset Avenue. If picking up or dropping off children for Transitional Kindergarten or Kindergarten at odd hours, drivers must enter the office on Anita Ave. in order to sign the student in or out. Please help us by informing alternate drivers of these procedures. The traffic cones near the center of the parking area are to be used as a line of demarcation when the children are at play. This applies when cars come into the play area during the day (funerals, meetings, etc.) The San Miguel gate is never to be used as an exit.

B. Rainy Days

In order to ensure safety for all the children, parents are asked to park in designated spaces then come into the school building to pick up their children. Children will remain in the classroom until picked up by a parent or guardian. Your cooperation is appreciated. Please notify grandparents or others who may be picking up on a rainy day of these procedures.

Additional notes for any day: Parking in any driveway marked in red is prohibited (FIRE LANE). ALL OF OUR CHILDREN ARE AT RISK WHEN A FIRE LANE IS BLOCKED.

We ask all people driving into our parking area to pay attention to school staff directing traffic. Any person who shall disregard any traffic signal or direction given by a member of the school staff or safety patrol shall be guilty of a misdemeanor (local penal code).

VI. CONDUCT AND DISCIPLINE

Students are taught that their actions and attitudes should reflect a Christian ethic in keeping with our Core Values - Unity, Truth, and Love, and that their behavior should be in accordance with the moral and religious expectations as outlined in the school philosophy and goals. Discipline in our school is positive, an aspect of moral guidance and not a form of punishment. The purpose of discipline is:

- To provide a classroom situation conducive to learning
- To educate students to an appreciation of the importance of developing responsibility and self-control
- To build a sense of Christian community
- Families are expected to honor and support the privacy and confidentiality of all individuals in regard to matters relating to student disciplinary issues and actions.

CONDUCT

Guidelines for behavior at school include, but are not limited to, those listed below. They are taken from our Core Values. Faculty and staff use their judgment on a daily basis to guide children in developing good behaviors, based on the specific situations that arise each day.

It is expected that all students of Our Lady of Grace School will observe the rules listed below. Please discuss them with your child/children so that they are clearly understood. School rules include, but are not limited to, the following common topics:

- a. Proper respect and attention should be given whenever attending liturgies in Church.
- b. Each student at Our Lady of Grace Catholic School has the right to fair, friendly, and courteous treatment from all other students. In other words, “we treat others as we would want to be treated.”(Core Value: Love)
- c. Students are expected to show respect to clergy, teachers, staff, school volunteers and parents, yard duty personnel, one another and school property. Students and their parents/legal guardians will be liable for all damages not to exceed \$10,000 due to willful conduct by the child. Grades, transcripts, or a diploma will be withheld until the damages are paid.
- d. Appropriate language should be used at all times.

- e. Physical, emotional, or verbal aggression toward other students will not be allowed. This includes inappropriate use of the phone or the Internet as it affects the school as well as any photo posted on the Internet which is inappropriate as determined by the school administration. Students may not inappropriately reference Our Lady of Grace Catholic School by full name, or acronym, nor may they reference any staff member by name, nickname, or initials on the Internet. To do so is grounds for expulsion.

On School Grounds

In the courtyard:

- a. To achieve an orderly and quiet entrance to classrooms, students are all asked to enter school silently.
- b. All bikes should be put in the bike rack and locked from the time the student arrives at school until the student leaves school. Bikes and skateboards may not be ridden in the schoolyard before or after school. Helmets are required. Students may not play on the bike racks.
- c. Students are not permitted to chew gum or have soda on the school property. Lunches and snacks are to be eaten in the courtyard or classroom, as directed by a teacher or staff member.

In the restrooms:

- a. Students will be allowed to use the restrooms at recess times or with the permission of their teachers.
- b. Food and play equipment is not allowed in the restrooms.
- c. Students should use the restroom in a manner that will maintain a reasonable level of safety and cleanliness for all.

After school:

- a. Students are to go directly to their designated area and remain under the supervision of their teacher until they are picked up or released to walk or ride bikes home.
- b. Students who wish to walk home must have written notes from their parents/guardians on file in the school office releasing the school from all liability when the student leaves the property.
- c. Students may not come back into the school building after dismissal unless supervised by a teacher.

DISCIPLINE OVERVIEW

Discipline in our school is intended to be a positive, not negative experience. Children learn that their actions, whether intentional or not, have consequences for which they are responsible, but they also learn that everyone makes mistakes. Once they have accepted the consequences of their behaviors, we all move on. It is our goal that by using consistent disciplinary procedures, home and school is working together to develop in each child an

inner discipline which will result in a more caring, sensitive Christian. For those reasons, discipline at OLG is considered an essential aspect of Christian development.

School disciplinary procedures are initiated by the faculty or staff person who first observes or is otherwise made aware of the behavior. In order to provide consistency, school discipline will be handled in the following manner and will apply to both social and academic behavior:

1. Faculty/Staff person settles the problem within the classroom or out on the yard.
2. Faculty/Staff person issues a verbal warning.
3. Faculty/Staff person issues a slip known as a card in either the Green Category or the Red Category which is taken home to be signed by a parent and returned the next day.

Blue Cards - Green Category Cards - Red Category Cards

To be a successful student and model the Core Values of Unity, Truth, and Love (SLEs). Students need to always follow these guidelines:

- A. Be Safe
- B. Be Responsible
- C. Be Respectful

Following the guidelines from the Life Skills section on Power School, students need to consistently exhibit these behaviors. When students consistently exhibit these behavior codes, staff members may reward them with a **Blue Card**. It is our hope that students over the year will receive many of these positive **Blue Cards**. Earning **Blue Cards** should be the goal of each student.

Green Category Cards can be given related to **not** doing the following. They are:

1. Bringing appropriate supplies to each class
2. Staying on task
3. Completing work on time
4. Working cooperatively
5. Following directions
6. Complying with school uniform code
7. Participating in learning
8. Following playground rules

Should a student receive 2 Green Cards in a week, a detention after school on the Monday after receiving the cards is required and is held from 3:00 - 4:00; 3 green cards (habitual) a conference with the principal and parents as well as detention is required.

Red Category Cards are given a student and are related to doing the following:

1. Disrespecting teachers, students or other personnel
2. Exhibiting dishonest behavior
3. Intentionally causing bodily harm
4. Committing an act of vandalism
5. Taking a chromebook off campus

Should a student receive a Red Card, student will talk with the principal, principal will contact the parents, after school detention will be required and should there be an upcoming dance, student will not be allowed to attend that dance; 2 Red Cards in a trimester will result in a parent conference with the student and principal, and a behavior contract may be written; a 3rd Red Card in a trimester will require a suspension.

VII. SUSPENSION AND EXPULSION

SUSPENSION

No student shall be suspended from school for more than five school days at a time unless exceptional circumstances exist, such as to complete an investigation when the student's return poses a threat to the safety of others. The student will be given the opportunity to make-up work that was given during the time of the suspension within a timeframe established by the teacher. Teachers will not provide work for the student who has been suspended until the student returns to school.

The principal, or member of the principal's Administrative Team is authorized to suspend a student for social misbehavior or severe lack of cooperation in the area of academics. Parents will be notified of suspension by phone/letter and advised as to the re-admittance of the suspended student.

Behaviors that may result in suspension include, but are not limited to:

1. Fighting or causing bodily harm to anyone on the school grounds.
2. Use of profane or vulgar language or gestures.
3. Damage to school property or the property of others.
4. Consistent defiance of classroom or school regulations.
5. Intimidating or threatening school personnel or students.
6. Harassment of school personnel or other students.
7. Inappropriate use of the internet at school or publication of school or staff names on the Internet.

SUSPENSION PROCEDURES

In cases where the absence of immediate disciplinary action (suspension) would pose a real threat to the health and welfare of another student, the students in general or school staff, the principal may remove the student from class, or the yard, etc. and contact the parent/legal guardian as soon as possible. In cases such as this, where the suspension has occurred, requirements as to due process as stated in #2 below may be adhered to after the fact. In all other cases where suspension is necessary, but no real or immediate danger to the health and welfare of another student or the students in general or school staff exists, the following procedures should occur:

1. **Notice:** This is satisfied by telling the student he/she will be suspended; informing him/her of what school rule or regulation has been broken; and indicating to the student, by way of reference to the rule, that such violation is a suspendable offense.
2. **Evidence:** This is satisfied by making the student aware of what information the principal has which would lead the principal to reasonably believe that a rule has been broken and that this student is the one who is responsible.
3. **Opportunity to Respond:** This means an informal give and take between student and Principal occurs. In other words, “Do you have anything to say?” etc., and listening to his/her side. Then, the Principal may make a decision to suspend based on the evidence and student’s responses to the presentation of such evidence.
4. **Parent/Legal Guardian Contact:** It is always necessary to inform the parents/legal guardians of the procedures that have been followed, including a review of the steps listed above. Where possible, a parent/legal guardian might be included in these steps so that the parent/legal guardian is aware of the total situation prior to the decision to suspend. When this is not possible, a parent/legal guardian has an absolute right to be informed of the specifics of the procedure within a reasonable time thereafter.
5. **Right to Appeal:** The parent/legal guardian may appeal the decision, first to the Principal and Pastor, and later to the Superintendent of Catholic Schools. The appeal process begins with a phone call or email to the proper leaders to start the process. However, it is presumed that neither will overturn the decision if the established procedures have been followed and sufficient reason for suspension exists.
6. **A Written Record:** The procedures followed in the case of the suspension (including the procedures followed after the fact in cases where immediate suspension is necessary) shall be kept in a file separate from the cumulative folder by the principal.

EXPULSION

Expulsion is an extreme but sometimes necessary disciplinary measure for the common good. Prior approval of the Superintendent of Catholic Schools is required before expulsion can take place.

The following list includes some, but not all, of the reasons for expulsion:

1. Continued willful disobedience /consistent violation of school rules
2. Persistent defiance of school authority by any student or his/her parents

3. Habitual profanity or vulgarity
4. Use, possession or exchange (whether or not for sale) of tobacco, drugs or alcohol on or near the school premises or at school sponsored events.
5. Vandalism to school property
6. Habitual truancy
7. Assault or battery, or any threat of force or violence directed toward any school personnel or students
8. Possession and/or assault with a deadly weapon and/or any object that can be used to cause harm to another, including laser pointer
9. Theft
10. Verbal or physical harassment of any student or staff person

EXPULSION PROCEDURES

A. Cases of Cumulative Disciplinary Difficulties

The principal or his/her delegate shall arrange a conference with the student and the parent/legal guardian who shall be informed of:

1. The pattern of conduct which at this time would lead the school to believe that expulsion is being contemplated;
2. The evidence upon which this assessment is based;
3. The right of the student at this time to present a statement or information in support of being retained;
4. What specific courses of action or improvement in attitude will be sufficient in the school's view so that expulsion will not be necessary.

If adequate improvement is not forthcoming within a reasonable time a second conference with the student and parent/legal guardian shall be arranged by the principal or his/her delegate. At this time the procedures outlined above will again be followed. After this conference a final decision will be made by the principal in consultation with the Pastor and Superintendent of Catholic Schools.

Written records of the various proceedings leading to expulsion must be on file.

B. Cases Involving Serious Offenses or Threats to Safety

There is no requirement that the school follow progressive discipline in these cases. In cases involving serious offenses or threats to safety, which may include a possible criminal conduct or outrageous actions, the student is immediately suspended, the process begins with the procedures outlined in paragraph two above. (In this case it would be a first conference with the parent/legal guardian.) This procedure should be followed where the continued presence of the student will, in the reasonable judgment of the principal, pose a serious threat to the health and welfare of another student or school personnel.

C. Right to Appeal

The parent/legal guardian may appeal the decision, first to the principal, then to the Pastor, and later to the Superintendent of Catholic Schools. However, it is presumed that neither will overturn the decision if the established procedure has been followed and sufficient reason for expulsion exists.

DISCIPLINE WITHIN CATHOLIC SCHOOLS: (From the Oakland Diocese Handbook)

Students should be instructed that their actions and attitudes should reflect a Christian ethic and that their behavior should be in accordance with the moral and religious expectations as outlined by each school in its philosophy and goals. Discipline in the Catholic school is to be considered as an aspect of moral guidance and not a form of punishment.

The purpose of discipline is:

- 1. To provide a classroom situation conducive to learning.**
- 2. To educate students to an appreciation of the importance of developing responsibility and self-control.**
- 3. To build a sense of Christian community.**

Evidence of Discipline: Discipline is to be attained in a classroom or school when students work cooperatively with the Principal, the teachers, and their peers toward the attainment of class and school objectives.

Maintenance of Discipline: Effective discipline is maintained when there is: 1. Respect for the learning rights of each student. 2. An appropriate atmosphere conducive to learning. 3. Positive correction. 4. Reinforcement of desirable conduct. 5. Firm, kind, and fair treatment of all children. 6. Avoidance of undue regimentation. 7. Avoidance of all corporal punishment. 8. Evidence of self-motivation for learning. 9.

Evidence of desire for self-discipline: Detention Requiring a student to serve a detention after school hours is an acceptable disciplinary measure. Students may not be detained for more than one hour. A teacher may require a student to serve a detention for up to fifteen (15) minutes without prior notice to the parent(s)/legal guardian(s). If a student is to serve a detention longer than fifteen (15) minutes, parent(s)/legal guardian(s) should be notified in advance.

Suspension Policies: Suspensions should be used when other means of correction fail to bring about proper conduct, or for serious misconduct or for investigations of serious misconduct. Out-of-school suspension is an acceptable disciplinary measure but, when possible, in school suspension is preferred. No student shall be suspended from school for more than five (5) school days at a time unless exceptional circumstances exist, such as to

complete an investigation when the student's return poses a threat to the safety of others. The student must be given the opportunity to "make-up" work that was given during the time of the suspension.

Suspension Procedures: Each school shall include clearly defined suspension procedures, including the rules for student conduct, in its Parent-Student Handbook and shall review them with parent(s)/legal guardian(s) and students at least once a year. 1. In cases where the absence of immediate disciplinary action (suspension) would pose a real threat to the health and welfare of another student, the students in general or school staff, the Principal may remove the student from class, or the yard, etc. and contact the parent(s)/legal guardian(s) as soon as possible. In cases such as this, where the suspension has occurred, requirements as to due process as stated in #2 below may be adhered to after the fact. 2. In all other cases where suspension is necessary, but no real or immediate danger to the health and welfare of another student or the students in general or school staff exists, the following procedures should occur: a. NOTICE: This is satisfied by telling the student that you are going to suspend him or her; informing him/her of what school rule or regulation has been broken; and indicating to the student, by way of reference to the rule, that such violation is a suspendable offense. b. EVIDENCE: This is satisfied by making the student aware of what information the Principal has which would lead the Principal to reasonably believe that a rule has been broken and that this student is the one who is responsible. c. OPPORTUNITY TO RESPOND: This means an informal give and take between student and Principal. In other words, "Do you have anything to say?" etc., and listening to his/her side. Then, the Principal may make a decision to suspend based on the evidence and student's responses to the presentation of such evidence. d. PARENT(S)/LEGAL GUARDIAN(S) CONTACT: It is always necessary to inform the parent(s)/legal guardian(s) of the procedures that have been followed, including a review of the steps listed above. Where possible, a parent(s)/legal guardian(s) might be included in these steps so that the parent(s)/legal guardian(s) is aware of the total situation prior to the decision to suspend. When this is not possible, a parent(s)/legal guardian(s) has an absolute right to be informed of the specifics of the procedure within a reasonable time thereafter. A WRITTEN RECORD of the procedures followed in the case of the suspension (including the procedures followed after the fact in cases where immediate suspension is necessary) shall be kept in a file separate from the cumulative record folder by the Principal.

Expulsion Policies: Expulsion is an extreme but sometimes necessary disciplinary measure for the common good. Prior approval of the Superintendent is required before expulsion can take place. 1. The Following May Be Reasons for Expulsion The following offenses committed by students while under the jurisdiction of the school are reasons for expulsion. This should be included in the school handbook and in addition local schools should clearly specify the rules that students are expected to follow. a. Continued willful disobedience/consistent violation of school rules. b. Open, persistent defiance of the authority of any school employee by student or parent(s)/legal guardian(s). c. Habitual profanity or vulgarity. d. Use, possession, or exchange, whether or not for sale, of tobacco, drugs or alcohol on or near the school premises or at school sponsored events. e. Vandalism to school property. f. Habitual truancy. g. Assault or battery, or any threat of force or violence directed towards any school personnel or students. h. Possession and/or

assault with a deadly weapon and/or any object which can be used to cause harm to another. i. Theft. j. The verbal, physical, visual or sexual harassment, bullying or cyberbullying of any student, teacher or administrator. 2. Procedures for Disciplinary Expulsion A. Cases of Cumulative Disciplinary Difficulties 1. The Principal or his/her delegate shall arrange a conference with the student and the parent(s)/legal guardian(s) who shall be informed of: a. The pattern of conduct, which at this time would lead the school to believe that expulsion, is being contemplated. b. The evidence upon which this assessment is based. c. The right of the student at this time to present a statement or information in support of being retained. d. What specific courses of action or improvement in attitude will be sufficient in the school's view so that expulsion will not be necessary. 2. If adequate improvement is not forthcoming within a reasonable time: a. A second conference with the student and parent(s)/legal guardian(s) shall be arranged by the Principal or his/her delegate. At this time the procedures outlined above shall again be followed (a through c). After this conference the Principal in consultation with the Pastor and Superintendent will make a final decision. 3. Written records of the various proceedings leading to expulsion must be on file. Cases Involving Serious Offenses or Threats to Safety There is no requirement that the school follow progressive discipline. In cases involving serious offenses or threats to safety which may include a possible criminal conduct or outrageous actions, the student is immediately suspended, the initial parent(s)/legal guardian(s)-Principal conference is dispensed with, and the process begins with the procedures outlined in paragraph 2 above. (In this case it would be a first conference with the parent(s)/legal guardian(s). This procedure should be followed where the continued presence of the student will, in the reasonable judgment of the Principal, pose a serious threat to the health and welfare of another student, or school personnel. Where immediate suspension followed by probable expulsion is a school procedure due to the violation of specific rules, such rules and the consequences of their violation should be clearly made known to students and parent(s)/legal guardian(s) at the time of admission to school and should be re-stated at least once a year in the Parent-Student Handbook. C. Right to Appeal The parent(s)/legal guardian(s) may appeal the decision, first to the Principal, then to the Pastor, and later to the Superintendent. However, it is presumed that neither will overturn the decision if the established procedure has been followed and sufficient reason for expulsion exists. No Expulsion or Suspension by a Teacher Though a teacher may temporarily remove a disruptive student from his/her classroom as a disciplinary measure, in no case shall a teacher on his/her own authority attempt to expel or suspend a student.

Disapproved Disciplinary: Measures The following disciplinary measures are not allowed: 1. Corporal punishment. 2. Language which is sarcastic or calculated to bring ridicule on the student, his/her parent(s)/legal guardian(s), background, etc. 3. Sending a student to any place outside the classroom where supervision is absent. 4. Using religious actions or important class assignments as punitive measures. 5. Bizarre or unusual punishments. 6. Withholding or altering rightfully earned academic marks. Confidentiality Schools should adopt a policy consistent with this section. Investigations into student conduct leading up to suspension and/or expulsion shall be kept confidential, except as necessary to investigate the student's actions. Information obtained from witnesses is to be shared with the accused student and as necessary to investigate the actions in question. The Principal has the discretion to withhold the identity of witnesses and/or certain

information obtained from witnesses if the disclosure of such information poses a threat of physical harm or endangers the safety of students or school personnel. Similarly, the Principal has the discretion to disclose information to others if the withholding of information poses a threat of physical harm or endangers the safety of students or school personnel.

VANDALISM: Students and their parent(s)/legal guardian(s) will be liable for all damage to equipment or school property caused by the student. It is the responsibility of the parent(s)/legal guardian(s) to pay for property damages not to exceed ten thousand dollars (\$10,000) due to willful conduct by the child. Report Cards and/or diplomas may be withheld until the damages are paid.

6568 School Searches

Students' legitimate expectation of privacy in their person and in their personal effects they bring to school must be balanced against the school's obligation to maintain discipline and provide a safe environment for the school community. School officials may conduct a search of a student's person and personal effects only upon a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule.

If school officials have a reasonable suspicion that the student has violated or is violating the law or a school rule, school officials do not need a warrant or permission from parents/guardians to conduct the search.

A "reasonable suspicion" may be established in many ways, including but not limited to personal observations, information provided by third parties or other students, or tips provided by law enforcement. An alert from a trained and certified detection dog is sufficient to establish a reasonable suspicion and serve as the basis for a warrantless search of the student's person, locker, car, or personal property and effects.

Whenever a school official conducts a search of a student's person or personal effects, an adult witness should be present. The school should notify the students' parents/guardians of any search of a student's person or personal effects.

Expectation of Privacy

A student does not own a locker or other school property. The school makes lockers available to the student. The student does have some expectation of privacy in his or her locker from other students. However, a student does not have a high expectation of privacy in his or her locker from the school and may not prevent school officials from searching the locker if the school official has a reasonable suspicion that the student has violated or is violating a law or school rule.

A student has a greater expectation of privacy regarding his or her person and personal effects. A school official who conducts a search of a student's backpack, purse, clothing, cell phone, or other personal effects must have a reasonable suspicion that the student has violated or is violating a law or school rule. Generally, students should be asked to empty their pockets, purses, backpacks or other bags for inspection of the contents by school officials. Strip searches or searches that include a student's underwear may only be conducted by law enforcement and may not be conducted by a school official.

Every student is subject to the Diocese of Oakland Technology Use Policy for Students and Parents. ([Technology Use Policy](#)) This policy concerns cell phones and other electronic devices, whether the devices belong to the student or the school.

Student Cooperation

If a student refuses to cooperate in a reasonable search of school or student property (including electronic devices), the school may call the student's parents/guardians and/or the police for assistance or referral. ([6251 - Home School Partnership Policy](#))

Confiscating a Student's Personal Property

If any of the student's items are confiscated, the person in charge should document the confiscation and when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a written statement, signed by the student, acknowledging that the item was in his or her possession at the time it was found.

VIII. VOLUNTEERING

VOLUNTEERING OPPORTUNITIES

Recognizing the necessity of parent involvement in school programs and the necessity for fundraising activities to help defray the ever increasing cost of Catholic education, all parents/legal guardians are required to make a commitment to the school's Parent Volunteer Program. Please note there will be a monetary penalty per your tuition contract for unmet parent hours.

1. Each family is required to spend **twenty hours** in parent participation during the school year (**single parents - ten hours**). Unmet hours will result in a \$35 per hour charge. Parents/legal guardians of each child are to recognize that the Parish Festival is a vital part of our support program and pledge their support and participation for the benefit of parish and school. **Eight hours** per family of the parent participation program are required to be spent working at the festival even if maximum hours are received for participation in another activity. All adults working at the Festival are required to be fingerprinted and SEC trained
2. A list of ways to earn parent participation hours is available at our school office.
3. Since the Parent Volunteer Program is set up to encourage parent involvement in the school, parents, custodial guardians and designated adult family members, provided they have met the SEC (Virtus online) and fingerprinting requirement, are eligible to complete the hours. Work done by students, friends or other relatives cannot be counted toward a family's total.
4. Please document your hours in the Parent Volunteer Program by periodically filling out our Parent Involvement Form (see Appendix). Have the form signed by a project chairperson, teacher or the Principal, and turn it in at least once a month.

5. Families are notified of their total hours midyear. The cutoff for each school year will be the last day of school. Hours worked above and beyond the 15/30 requirement do not need to be reported, are not logged, and are not credited to the next school year.
6. At the end of the school year, each family that has not completed the required hours will be assessed at the rate of \$35 per un-worked hour. The fees must be paid **before** registration for the next school year.

Some, but not all, parish activities count toward parent hours for the school. Some included are CYO, Parish Council, choir, altar scheduling, and teaching for the Faith Formation program. Questions about whether other activities can be counted should be directed to the Principal prior to participation.

OLG FESTIVAL HOURS

The Festival is a parish wide event, which greatly benefits the school. School families are required to work at least eight hours (four for single parent households) to support this event. If hours are unmet, there is a \$35 per hour charge for each unmet hour. This section will explain the guidelines to follow in fulfilling this volunteer requirement for Festival chairpersons:

1. At least one chairperson must attend the Festival meetings as needed and pre-Festival preparations (6 hours);
2. The chair people must set up a booth on designated evening before the Festival (3 hrs);
3. The chair people must clean up their booth at end of Festival (Sunday evening, 2 hrs.);
4. Festival chair people must secure their own volunteers. Sign up sheets will be posted in Stack Center. Chair people will be responsible for ensuring all slots are filled (4 hours).

***In order to receive service hours for working in a booth, all volunteers must sign in and out ***

ROOM PARENTS

The room parent for each classroom works closely with the classroom teacher to organize and support activities that enrich the student's experience at school. The primary responsibility of the room parent is to provide this help to the classroom teacher. Room parents are also responsible for preparing the items for the OLG Spring Auction. All room parents are selected via a blind draw and may only serve a maximum of two years in any given classroom. There are 2 room parents per class. The room parents receive 15 parent hours plus any hours related to room parent responsibilities.

Room Parents are required to meet with the principal prior to the start of the school to review pertinent documentation and discuss the rules. Some of the specific ways in which room parents fulfill their responsibilities are:

- Assist the teachers by submitting parent hours for classroom help/projects, special events, and field trips.
- Plan and coordinate volunteers for the special event assigned to your grade(s). Some events are co-chaired by two grades. Communication regarding the event will be provided to the room parent volunteer(s) at the beginning of the school year. The room parent(s) will be assisted by PTG.
- Coordinate Coffee and Donut Sunday for their particular classroom on the second Sunday of the month (as assigned and communicated by the Room Parent Coordinator).
- Facilitate all holiday-related class parties **after** communicating with the classroom teacher regarding time and scope of the activity. Arrangements vary from grade to grade and teacher to teacher, but should remain simple.
- Keep track of expenses to make sure the expenses do not exceed monies in the class fund. The head room parent will advise you of your starting budget once he/she receives confirmation from the School Office.

Parties are only allowed for the following holidays: Halloween, St. Nick's Day, Christmas, Valentine's Day, and End of the Year parties.

NOTE: There is a \$27.50 contribution per child per year to cover the expenses for these activities which are not otherwise covered by parent donations and an end of the year gift for teacher and aide. This is included in your registration fee. This should be adequate to cover all expenses. The funds are held in the class fund for the year and expenses incurred are reimbursed upon presentation of receipts by the room parent. Funds remaining in the class fund at the end of the school year will be used to purchase classroom equipment or materials for the class for their next year. For example, at the end of the school year. If Grade 3 has \$50 left it can be used for the coming year after consultation with the 4th grade teacher.

Guidelines for end-of-the-year gifts: \$100 for full-time employees (Teacher Aides and homeroom teachers); \$50 for part-time Teacher Aides.

IX. STUDENT ACTIVITIES

A. Altar Servers

Students are trained by the parish and many of our students participate and serve at funerals and school liturgies.

B. Assemblies

A number of presentations are arranged for the student body. The Student Council also puts on some assemblies and rallies during the school year.

C. CYO is a parish-sponsored entity. Enrollment dates on sports teams are announced in the parish bulletin and in the *Lion's Tales*. Please see the separate CYO Handbook for information, rules, etc. The CYO handbook is available at the parish office.

D. Dances

A number of local Catholic school principals meet to select dates for dances so that there is one a month from September through April for our seventh and eighth grades. OLG's dance traditionally falls in November. Attendance at these dances is a privilege, dependent upon a student being in good standing at his/her school. The principals have developed a **School Dance Contact and Appearance Code** which provides guidelines for these dances.

E. Field Trips

For each field trip, the following information is made available:

Diocesan policies:

1. Student Permission Slips, with original parent/legal guardian signatures (no fax copies) on the correct form. Verbal permission is not sufficient.
2. Driver responsibilities (e.g. follow a planned route, do not make extra stops, dress appropriately, no use of any alcohol at any time, no smoking).
3. Current copy of insurance declarations page showing minimum \$100,000/\$300,000 coverage (insurance card is not acceptable) and driver's license
4. All adult chaperones need to complete Safe Environment for Children training as well as have to be fingerprinted by Livescan.

Local policies:

1. Field trips are designed to enrich the education of a particular class of students.
2. Parents accompanying a class on a field trip are expected to assist in supervising students.
3. Siblings of any age are **not** allowed.
4. All field trips begin and end at school. Students cannot join the field trip at the field trip site or be picked up to go home from the field trip site.
5. No side trips are permitted, including stopping for food or beverage.

F. Student Leadership

Student Council

Representatives from grades 7-8 comprise the Student Council. The council plans and conducts school activities such as spirit assemblies, outreach activities, and other special events. Meetings with faculty moderators are held weekly during lunch. Student Council members are required to maintain a GPA of 3.0 or above.

Liturgical Service

School liturgies and para-liturgies are planned by various classes. All Holy Days of Obligation are celebrated at the 8:15 A.M. parish mass. Dress uniforms are required for all mass days. This includes the pullover navy blue OLG sweatshirt.

Faith Families

Grades TK-8 are partnered together to further build our spiritual community. As faith families, students participate in liturgies, prayer, fun events, and various holiday festivities. Faith Families meet frequently throughout the school year. The eighth graders are the faith family school leaders.

Safety Patrol

Students in Grades 6-8 may participate in the School Safety Patrol. These students assist younger children (grades TK-3) at dismissal. Students who participate in Safety Patrol will earn service hours.

XI. FAMILY RESPONSIBILITIES

TUITION

A. Insurance

Included in the registration fee is the student accident insurance fee. The insurance covers the student for the time he/she is in school, while traveling directly and uninterrupted to and from the school and the home on regular school days. If a child is injured, the parents must apply to the school for an insurance claim form within **TWENTY DAYS**.

B. Tuition and Registration Fees

All families registering a student at OLG review and sign a contract which will include financial and participatory obligation. The contract must be resigned each school year. A nonrefundable registration fee for each student shall be paid at the time of registration. As stated in the contract, once the contract has been signed and the school year has begun, the tuition obligation for the year must be met whether or not the child remains a student at Our Lady of Grace for the entire school year.

Tuition Schedule 2021-2022

Number of Children	In Parish Rate	Out of Parish Rate

C. Tuition Assistance

The following is a list of available financial aid programs. Our Lady of Grace School requires that all families requesting financial assistance apply for the Diocese of Oakland FACE grant.

Diocese of Oakland FACE Grant

The Diocese of Oakland provides a grant to students based on income and special circumstances. It is available to all families requesting financial aid.

Basic Fund <http://www.basicfund.org>

An outside source is available to families who qualify for the free/reduced hot lunch program and/or meet the income criteria set by Basic Fund. Income criteria guidelines must be adhered to. This fund is available to all new students for Transitional Kindergarten through 8th grade, including siblings of students already attending the school.

Parish Tuition Assistance and School Aid (For Returning Students)

Envelopes are sent to parishioners (collected monthly) and allocated to subsidize families in need of assistance throughout the school year. A tuition subsidy is available from the school and is based on income and special circumstances and is determined by members of our financial committee.

D. Tuition Payment

Families will be offered three options to pay tuition through the FACTS Management Company:

1. **Full Payment Option:** A full year's tuition must be paid in full by July 15th. Registration and assessment fees must be paid the first week of May.
2. **10-Month Payment Option:** Ten monthly payments will be automatically debited from your designated checking/savings account by FACTS Management Company on either the 5th or 20th of each month (your choice), from July through April. FACTS will debit your account for any insufficient funds. Read your FACTS tuition contract carefully for further details regarding collection of monies due.
3. **12-Month Payment Option:** Twelve monthly payments will be automatically debited from your designated checking/savings account by FACTS Management Company on either the 5th or 20th of each month (your choice), from June through May. FACTS will debit your account for any insufficient funds. Read your FACTS tuition contract carefully for further details regarding collection of monies due.

E. Tuition/Fee Delinquency

All delinquent fees and tuition must be paid in full before a contract will be offered for the new school year. The school reserves the right to do any of the following with regard to the payment of past due accounts for which no payment arrangements have been made:

1. Withhold report cards;
2. Deny a student enrollment in the following trimester;
3. Deny a graduating student participation in graduation ceremonies.

MEDICAL

A. Communicable Diseases

In the school environment, many communicable diseases or conditions are easily transmitted from one individual to another. Among the most common school communicable diseases or conditions in students are head lice (pediculosis), chicken pox, mumps, measles and pink eye. Students who have communicable diseases or conditions must be excluded from school. Parents should notify the school immediately if their child has come into contact with or has any contagious disease or condition, such as but not limited to chicken pox, pink eye, or head lice.

B. Immunizations

No child may be admitted as a student of a school unless s/he has been immunized according to California Immunization requirements.

- TB Screening should be done upon entrance to school. The Mantoux test is the only acceptable screening test. If there is NO RISK for TB and the Mantoux test is not needed the doctor must state it on the school entry report.
- All students entering 7th grade must have the Pertussis/ Whooping Cough (TDAP) vaccination.

A student who lacks the required immunizations will not be allowed to begin school.

C. Medications (Including prescribed, aspirin and any over-the-counter drugs)

Guidelines for the administration of medications at school:

- Schools may not furnish any medications. Parents/legal guardians will assume full responsibility for the supplying of all medications.
- All medication administration requires written parent/legal guardian authorization.
- All prescription medications and aspirin require physician and parent/legal guardian authorization. (Request for Medication form may be downloaded from our website).
- No medications may be brought to school by students.
- Parents/legal guardians shall deliver any medication to be administered along with the Request for Medication Form. The medication must be delivered to the office in original containers and labeled with the name of the medication, dosage, name of child, and frequency of administration. Over the counter medications should be in original sealed packages and come with directions for administration.
- All medications must be secured in the school office (Exception: back up inhalers and epi-pens may be secured in the classroom as well as the office). Use of an epi-pen necessitates a 911 call. Because of the risk of students sharing medication, no student may carry their own medication. In the event a student is seriously at risk without the epi-pen or inhaler on their person, consideration will be given to a variance if a physician and parent document the following:
 - Risk of not carrying medication
 - Student has been instructed in the indications, administration, side effects, responsibility not to share, and the responsibility to notify the teacher immediately after use.
 - Glucose testing and insulin administration is to be coordinated by the parent/legal guardian in collaboration with the school principal.

D. Report of Health Examination for School Entry (PM 171-A)

All students entering a school in the Diocese of Oakland must have met the following requirements prior to the first day of school. Failure to present these requirements may result in the student being excluded from school.

- Health and Physical form provided/mandated by the state of California. The date on the physical must be within 6 months or 18 months for 1st grade.
- Proof of up to date immunizations as mandated by the State of California
- Proof of Mantoux/PPD screening for TB with written verification of a negative result, done on or after the child's 4th birthday. For new students, a current negative PPD screening is recommended but a negative symptom screening TB is acceptable.

HEALTH PROGRAM

The Health Chair and trained parent volunteers help staff the Health Program in the school. The volunteers check to see that state mandated health records are up-to-date. For the good health and safety of all students, any student whose health record is not current will not be allowed in school until the records are current. Parents with concerns regarding their children's vision and/or hearing should notify the school prior to October 1st.

Our Health Program includes:

1. Vision: Screening test for grades K, 1, 3, 5, 7 and any referrals from other grades and all new students is administered by our health committee.
2. Hearing: An audiometrist tests grades K, 1, 2, 5, 8 and any referrals yearly.
3. Scoliosis: The Stanford Children's Health Spine Treatment and Education Program does screening for grades 5-8 and any referrals from other grades once a year. Parents will be notified if further screening is necessary.

PARENT SUPPORT

A. Classroom Observations

All visitors including parents must report to the office, sign in, and wear a visitor badge. Requests to conference with teachers must be made in advance so that the teacher will be prepared and available. This applies to all parents, however often they may visit the school, and for however short or long their visit is. Occasionally, parents may wish to observe their child's classroom.* In these instances, certain guidelines must be followed to keep

classroom disruption to a minimum and learning to a maximum:

1. Parent has completed Virtus online training and is fingerprinted by Livescan.
2. Parent is seated in the room so as not to disturb teaching.
3. Parent does not have any interaction with students or the teacher while observing.
4. Parent is in proper attire.
5. Performance of any child during the observation or any comments made by a student during the observation are kept confidential.

*Time spent observing in a classroom does not count as parent volunteer hours.

B. Complaint/Issue Resolution

Concerns regarding individual school staff members should first be directed to that staff member. If the issue is not resolved, the parent should then address it with the principal. Finally, if the concern is still unresolved, the Pastor should be contacted.

C. Family Cooperation

Under normal circumstances a student should not be deprived of a Catholic education on grounds relating to the attitude of the parents. Nevertheless, a situation may arise in which the uncooperative or destructive attitude of parents so diminishes the effectiveness of the school that the family may be asked to withdraw from the school.

D. Messages to Students

The office staff will relay important messages to students during the school day therefore all student cell phones are to be turned off during the school day. Cell phones are collected by the classroom teacher and kept in a safe location until the end of the school day. The cell phones are allowed to be turned on once the student is in the car taking them home or is enroute by bike or walking home. Please support this policy by not telephoning or text messaging your children during the day as they will not get your message until after 3:00.

E. In School Parties

We celebrate the current month's birthdays for students on the last Friday of the month. The classroom birthday celebration should be limited to a treat for the entire class. Taking the birthday child and a small group of friends off campus for a lunch or party is not permitted. If you wish to treat your own child during lunchtime on his/her birthday, please follow the policy for signing your child out under the previous section. Balloons and flower arrangements for birthdays should be limited to home as they are very distracting in the classroom. Therefore, if they are delivered to school they will be held at the school office until the end of the day.

F. Out of School Party Invitations

Unless everyone in a class is invited to a party, invitations are not to be brought to and/or distributed at school, including in the parking lot before and after school. For smaller gatherings, invitations should be mailed or hand delivered to the homes of those invited in order to minimize hurt feelings among those children who are not included. This also applies to thank you notes that might be distributed after a party.

G. End of the Year Party

School-sponsored graduation celebrations may be planned by the school and will be chaperoned by school related personnel. The school is not responsible for any other parties nor does it endorse or allow fundraising for non-school sponsored events.

VISITORS

All visitors are required to wear a “Visitor Badge” while on campus.

Visitors are defined as any person who seeks to enter school premises, including parents, guardians, and former students.

All outside doors are locked for safety reasons. Visitors during the school day must come into the school office to obtain a visitor pass. This includes visitors and parent helpers who may be helping in the Augustine Center.

Visits to your child’s classroom should be pre-arranged with your child’s teacher.

When children are on the playground, please inform the yard supervisor of your presence before approaching a child or group of children on the playground. Children who are not enrolled at our school are not allowed on the premises or on any field trip.

ATTENDANCE

Regular attendance is expected of all students in order to ensure student success.

Absence

Parents must notify the school office (510-581-3155) by 8:30 a.m. or email their teacher and school secretary at cspanchez@csdo.org, if their child will be tardy or absent from school that day. A call must be made each day the child is absent during an extended illness. If the school has not heard from you by 9:00, we will call to ensure your child’s safety. The office and classroom teacher should also be notified of the need for any early dismissal or release for a medical appointment. All medical absences are legally credited as attendance with a note from the doctor’s office noting the date or dates.

“Excessive absence” is being absent from school for ten (10) days per trimester or a total of thirty (30) days per school year. Students who have excessive absences may need to successfully show proficiency in their current grade or can be retained to repeat the current grade. Absence or early dismissals for personal/pleasure reasons are discouraged. It is the responsibility of all parents and students to be in contact with the teacher to facilitate the makeup process. If a student is absent from school, the student may not attend Jr. High dances in the evening.

1. Classwork and Homework during Absence

All requests for classwork and homework are to be made via e-mail to the child’s homeroom teacher by 10:00 a.m. Please indicate if the assignments are to be delivered to another student or be picked up. Assignments will be available for pick up in the school office. No one is to go directly to the classroom to retrieve assignments before, during, or after school. The maximum time allowed for completion of missed assignments due to absence equals the number of school days the student was absent. Long-term assignments are due on the assigned date.

2. Non-School Related Vacation Absences

If a student will be out of school due to a vacation, parents are to notify, in writing, the Principal and the teacher about the time and duration of the absence. Parents who choose to have their children miss school due to family vacations that do not coincide with the school’s vacation breaks may not expect work to be pre-assigned. Students or parents will be responsible for meeting with the teacher to compile a list of makeup work that the student will be required to complete. Assignments can be compiled and given to the student upon return. Students will then receive a list of what materials were covered while they were away and they will have the same number of days to return missed work as the number of days they were absent. All projects or tests assigned before students leave must be turned in or taken when they return; no extensions will be granted. It should be understood that these vacations should be avoided if possible since the students can never make up the actual classroom discussions, direct instruction, and presentations that occurred while they were gone.

3. Appointments - Early Dismissal

Parents are requested to avoid making appointments for a child during the school day. If a child must be excused early, a written note or email must be sent to the child’s teacher the morning of the appointment stating the reason for the early dismissal. Students arriving late or leaving early for medical or dental appointments will receive a medical excused absence **only if dated forms are brought from the doctor or dentist stating the time spent there**. Only verified medical and/or dental appointments are considered excused partial day absences. The verified medical/ dental appointment forms are due upon the student’s return from the appointment and will not be considered after the end of the trimester. When the parent/guardian arrives in the office, they will sign their child out on the student Sign Out sheet. If the child returns to school after the appointment he/she must enter through the School Office and obtain a Class Entry Slip signed by office personnel. The school office staff will call the student to the school office when it is time for the student to leave for an early dismissal. If a student goes home early due to sickness or injury, the office staff will notify the homeroom teacher.

4. P.E. Non-participation

There must be a note on file for a student to be excused from participation in PE activities. The excuse may also cover physical activity at recess time and extended care. A doctor's note is needed for long term non-participation (more than three days).

5. Releasing Students During the School Day

Students will be released only to a parent/guardian or to an individual authorized by the parent/guardian. Authorization to release a student to a non-parent/guardian must be in writing. Students must be picked up at the school office only. Parents are not to go to the classroom.

TARDIES

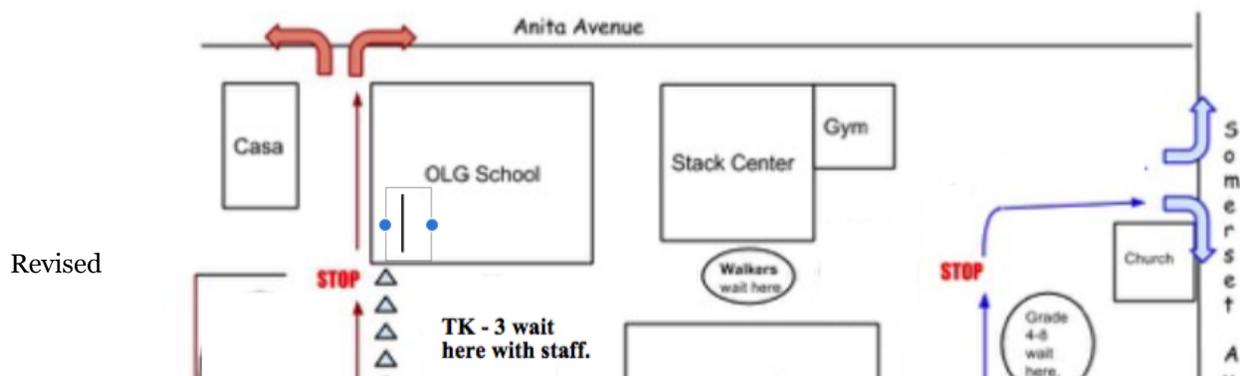

To help parents get students to school on time, the morning drop off time begins at 7:45 a.m. when adult supervision takes place.

A warning bell rings at 7:57 a.m. and the students should proceed to their assigned lines to prepare for morning assembly. At 8:00 a.m. the bell rings and the Morning Assembly begins. **Students not in line by the 8:00 a.m. bell are tardy.** Tardy slips will be given to the school office by yard duty personnel or teachers. Students arriving after morning line-up must report to the school office to receive a Class Entry Slip. Students entering after classes have begun, will stay on the bench outside the Principal's office reading until the first period bell rings at 8:50. This is to keep from disrupting the class where teaching and announcements have already started. Students arriving between 8:00 and 10:30 a.m. will be marked tardy. Students arriving after morning recess will be marked absent one-half day.

AFTER SCHOOL PICK UP TRAFFIC PATTERN

All drivers enter at the San Miguel Ave. gate. Please follow the arrows as indicated on the map.

- **TK-3rd: Exit toward Anita Ave.** - Drivers proceed straight ahead to form "waiting" lanes (see 3 black arrows) and proceed to pick-up area (see red arrows on map) as directed by school staff.
- **4th-8th: Exit toward Somerset Ave.** - Drivers turn toward right to form one line to the pick-up area. (see blue arrows on map)

XII. TELECOMMUNICATIONS RESPONSIBLE USE POLICY

INTRODUCTION

The Diocese of Oakland recognizes the various ways, both positive and negative, that students, personnel, and parents can use technology both in school and at home. Our schools seek to educate 21st Century learners through 21st Century teaching. Our objective is to fully prepare students to use the resources available in ethical, constructive, productive and intelligent ways as Christian citizens in a global community.

As a community of faith that embraces technology, we recognize the following:

- Words transmitted using the Internet and related technologies are published materials, available for worldwide access, and are public documents;
- The values of dignity and respect for every person apply to all of our interactions with each other, be they in person or by virtual means;
- Using technology to publish opinions which are obscene, work against the values of dignity and respect of each person, or bring harm to the individual as well as to our school community are contrary to the mission of each of the schools.

The Diocese of Oakland discourages students, personnel, and parents, (users), from using technology in irresponsible ways both at school and at home and will hold all users responsible for their published words if they affect the school, administration, faculty, staff, students and families. Students, personnel, and parents who use technology in ways that are contrary to our mission will face disciplinary action, up to and including expulsion/dismissal.

Code of Conduct

Our Lady of Grace School students are expected to model a code of conduct reflecting the school philosophy of *Our Lady of Grace School* at all times. This includes all school events and activities, and extends beyond the physical boundaries of the school.

The school's jurisdiction with respect to conduct includes:

- At all times when the student is on school grounds;
- At all times during the school day, both on and off school grounds;
- At all officially sanctioned school-sponsored events;
- Outside of the school day when the student's public behavior reflects upon the school.

Note: The school retains the right to discipline students for their actions, regardless of when or where they occur, when those actions negatively impact the school's image, reputation, and/or the safety and well being of the school community. This covers inappropriate behavior in cyberspace including but not limited to messages, chat room commentary, comments/ pictures, postings on social networking sites, blogs, wikis, gaming, chats, digital transmissions and other technology related activities.

Telecommunications Responsible Use Agreement

Adapted from NCEA's From the Chalkboard to the Chatroom

As a school technology user, I agree to follow the rules and code of ethics in all of my work with telecommunications while attending *Our Lady of Grace School*:

1. I recognize that all users of technology have the same right to use the equipment; therefore, I will not use any technology device for non-academic purposes. I will not use a mobile device to disturb or harass other users or use inappropriate language in my communications. I will keep my work area clean and will not eat or drink around mobile devices.
2. I recognize that the work of all users is valuable; therefore, I will protect the privacy of my password and not share it with others; I will also protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user. If I become aware of any misuse by others, I will notify the school site administrator immediately.
3. I understand the use of the Internet must be in support of education and research consistent with the educational objectives of the school.
4. I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members.
5. My parents/guardian realize that I may encounter material on the Internet that is considered inappropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) I am responsible for not pursuing material that could be considered offensive.
6. The use of technology is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of mobile

device settings will result in cancellation of privileges and/or school disciplinary action. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. The school reserves the right to seek financial restitution for any damage caused by students, personnel, or other users.

7. Cyberbullying, cyber-harassment, and cyberstalking are forms of bullying that utilize electronic means including, but not limited to email, texting, inappropriate images, posting, and instant messaging. These forms of harassment are taken seriously and are prohibited. Alameda County Sheriff's Dept. will be notified.

8. Student use of the mobile device camera will be allowed for educational purposes only when assigned by a teacher. Students choosing to disregard this rule will be subject to disciplinary action and possible loss of privileges. The system administrators will deem what is inappropriate use, and their decision is final. Students, personnel and parents may not take or transmit images that violate the Responsible Use Policy. Taking any pictures, videos, or recordings without a person's knowledge is a violation. The transmission, display, and sharing of inappropriate images is subject to disciplinary and legal action.

9. Students **are not allowed** to bring personal computers, mobile devices, smart watches, or fitbits (except cell phones) onto campus for any reason as the school will not be responsible for the security, troubleshooting or repairing of student-owned devices.

At all times while students are on campus, communication between parent and student must be made using our school's phone system. Therefore, at no time during the school day (7:57 am - 3:00 pm) will a student's cell phone be in use or visible.

When students bring cell phones onto campus, the following rules will apply:

- a. Students will store cell phones in his/her backpack before approaching the class line. At the sound of the first morning bell and before the second bell (tardy bell), the cell phone must be turned off and secured in the student's backpack. (If early entrance to the school facility is permitted by administration or teacher, the cell phone must be turned off and secured in a backpack prior to entering the building).

- b. Upon student arrival in the homeroom, cell phones must be placed in a designated cellphone basket on or near the teacher's desk. Cell phones will remain there until the student is directed by the classroom teacher, at the end of the school day, to retrieve the device and place it directly into a backpack.

- c. When attending KidKare, homework club, after-school enrichment programs, yearbook club, etc, cell phones will remain off and secured in a student's backpack

until he/she has been released from our care to a parent/guardian.

Technology Device Policy

Students in grades 5 - 8 are loaned ipad devices for use at school. These devices are not to be removed from our campus. All users of technology devices are responsible for the devices they are assigned. If a technology device is lost, stolen, broken, or sustains water damage, it is the user's responsibility to replace or repair it as dictated by the school administration. Students are required to complete all assignments even if their mobile device is out for repair. Current replacement of the current Chromebook version in use is approximately \$300.00.

Google Applications

Jr. High scholars and teachers use Google Applications for communication (email), collaboration and document storage. These tools allow scholars to create, edit, save and share files at school and home. Some of the applications available to scholars are email, word processing, slide show presentations, and spreadsheets. Scholars can share their work with other scholars at OLG School and work simultaneously on the same document. Teachers and administrators have access to scholars' accounts and will be providing feedback and monitoring scholar work and communication. Scholars cannot email to the general public nor can they receive emails from the general public. Google designed these applications specifically for educational institutions. These services are secure and free to our school. All Google App accounts are secure and require a username and password that OLG School creates and maintains. By signing the Responsible Use Agreement and Parent Permission Form you give your children permission to use Google Applications at home and school.

Student Information System (Grades 4 - 8)

The Oakland Diocese School Department supports an Internet based student information system. The system called PowerSchool allows students and parents/guardians in grades four through eight to look in the teacher's online grade book where all assignments and scores are listed for viewing. The PowerSchool Server is secure. No one else will see your child's information because you log in with the student's unique ID and password that OLG School creates and maintains. If a computer with Internet access is not available, you may use a public access computer, such as that found at your public library, to access this information. CODE OF CONDUCT

**INVOLVING INTERACTIONS WITH MINORS
IN THE DIOCESE OF OAKLAND**

PREAMBLE

As leaders in the Church founded by Christ, priests, deacons, and lay ministers within our parishes and institutions must always seek to uphold Christian values and conduct. In addition to following the Gospel and its mandates, all are expected to act properly at all times, especially when in contact with young people. This Code of Conduct establishes general guidelines and boundaries when ministering to minors. Many items mentioned in this document are applicable to ministry with adults, but this Code addresses explicitly proper contact with persons under 18 years of age. Further guidance and advice can be sought from the Chancellor of the Diocese of Oakland or the Coordinator of Safe Environment, as needed.

This Code is applicable to all persons who work or volunteer in any of the parishes and institutions in the Diocese of Oakland. This includes, but is not limited to: priests, religious (men and women), deacons, pastoral coordinators, school/program administrators, teachers, catechists, youth ministers, support staff, custodial staff, coaches, school, parish and diocesan volunteers, seminarians serving internships, and lay theology students. This Code is not an attempt to anticipate every situation that might arise, but to provide a set of standards and appropriate behavior to guide all those in pastoral ministry to children and young people. This Code of Conduct is to help create a safe, appropriate, and Christian environment for minors and their relationships with adults involved in Church ministry.

RESPONSIBILITY FOR COMPLIANCE

All who disregard this Code of Conduct will be subject to remedial action by the Diocese of Oakland. Corrective action may take various forms – including verbal or written warning, termination of employment, or removal from ministry – depending on the specific nature and circumstance of the offense. Those who witness or who receive reports of suspected

abuse (except under the seal of Confession) are required both legally and morally to report to the appropriate civil (e.g. Child Protective Services, Local Police or Sheriff) and pastoral authorities. If you are an adult who is responsible for children, you are a mandated reporter obligated by civil law to report any suspicious abuse or neglect of a minor to Child Protective Services immediately or as soon as practically possible.

EXPECTED BEHAVIORS WITH REGARD TO MINISTRY TO MINORS

MINORS ARE NOT INDEPENDENT INDIVIDUALS: Any and all involvement with minors is to be approached from the premise that minors should always be viewed – whether in a social or ministerial situation – as restricted individuals, that is, they are not independent. Minors are subject to specific civil laws in the State of California, which prohibits certain activities. They are not adults and are not permitted to make unfettered decisions.

TRAINING AND SCREENING: All those in contact with young people in a ministerial role must complete Safe Environment Training and be screened according to the requirements established by the chancellor and the Diocesan Safe Environment Office.

ADULTS ARE NEVER TO BE ALONE WITH CHILDREN: Adults (minimum 18 years of age) should avoid situations that place them in a position to be alone with a minor in the rectory, parish residence, school, or in a closed room other than a confessional.

MEETINGS AND/OR PASTORAL COUNSELING: In meeting and/or pastoral counseling situations involving a minor, the presence or proximity of another adult is encouraged. However, in those situations where the presence of another adult is not usual or practical (e.g. piano lessons, disciplinary meeting with an administrator, etc.) another adult should be informed that the meeting would be taking place. The meeting place must be accessible and visible with the door left open where the meeting is taking place unless there is a clear window built into the door.

SACRAMENT-PENANCE/RECONCILIATION:

The Sacrament of Penance/Reconciliation is normally to be celebrated in a place identified for that purpose, e.g. reconciliation chapel, confessional, or other areas with visibility: The location should be acceptable to the confessor and confessee.

RECTORY RESTRICTIONS: An unaccompanied minor is allowed only in the professional area of the rectory or parish residence, never in the living quarters.

Minors age 16 and over are permitted to work in the professional area of the rectory, when there are two adults over 18 years of age present.

THE SACRISTY DOOR: The sacristy door is always to be unlocked whenever minors are present within the sacristy.

SUPERVISION AT SPORTS EVENTS AND GAMES: At least two adults, one of whom is to be the same gender as the participants, are to be present when a group of minors engages in organized games or sports activities. At the High School level (nine-twelve), one adult is sufficient. Sports leagues sponsored by parishes or Catholic schools 8th grade and under must be under the supervision of the CYO Office.

BATHROOMS AND DRESSING FACILITIES WITH CHILDREN PRESENT: Adults must avoid being the only adult in a bathroom, shower room, locker room or other dressing areas whenever minors are using such facilities.

TRANSPORTATION IN PRIVATE VEHICLES: Adults are prohibited from taking youth home or to another location, unless another adult is present in the vehicle.

UNACCEPTABLE TOPICS AND LANGUAGE: Comments of a sexual nature are not to be made to any minor except in response to a specific classroom or otherwise legitimate questions from a minor. Topics or vocabulary such as profanity, cursing and vulgar humor must not be used in the presence of a minor/minors.

YOUTH TRIPS AWAY FROM PARISH FACILITIES: At the elementary level student group trips of any kind must have a minimum of two adult chaperones, at least one of whom should be of the same gender as the young people. (For larger groups a ratio of one adult to 10 students is recommended). At the High School level one adult chaperone or driver per group is sufficient. Depending on the activity and the age of the participants, there must be sufficient adult chaperones present to adequately supervise the group at all times. While on youth trips the adults as well as the minors may not use alcohol or controlled substances and anyone under the influence of these substances may not participate in the event. One adult alone shall never engage in an overnight trip with a minor or minors. While on youth group trips, adults are never to stay alone overnight in the same motel/hotel room with a minor or minors. Any overnight trip for children or youth must include supervision around the clock. If adults are not rooming with the youth, there **MUST** be an adult (over the age of 18) on duty, in the hallways or outside of cabins at all times when youth/children are present in the rooms/cabins. This can be accomplished with live scanned and cleared volunteers, employees of the Diocese, or someone who is hired specifically for security.

PROHIBITED SUBSTANCES: It is absolutely prohibited that adults serve or supply alcohol, cigarettes, inappropriate reading material, or controlled and illegal substances to minors. Alcoholic beverages will not be served or consumed at parish or school social activities intended primarily for minors. Minors may not serve alcohol at events. Event leaders should take all necessary action to ensure that no one working with youth is either in possession of illegal drugs or under the influence of alcohol or illegal drugs.

AGE-APPROPRIATE MEDIA: Audiovisuals, music lyrics, and print resources used in programs must be screened prior to use to ensure their appropriateness for the participants. It is never appropriate to use an “R” rated movie or movies that have been rated with an even stronger designation. The Diocese of Oakland absolutely prohibits the acquisition, possession and distribution of Child pornography.

BOUNDARIES OF PHYSICAL CONTACT: Careful boundaries concerning physical contact with a minor (beyond a handshake) must be observed at all times and should only occur under public circumstances. Prudent discretion and respect must be shown before touching another person in any way.

SOCIAL MEDIA: The Diocese of Oakland prohibits any irresponsible use of technology both at work sites and at home. All users will be held responsible for their published words. If they negatively affect the Diocese or any parish/school site in ways that are contrary to our mission, users will face disciplinary action up to and including termination. Employees and volunteers will be held accountable for use policies that are in place at their local parish or school site.

GUIDELINES AS APPLIES TO RELATIVES OF THE MINOR: Some adaptation in applying these guidelines when the minor is a relative ought to be the norm, but appearances in public nevertheless need to be maintained.

EXPECTED BEHAVIORS IN PASTORAL COUNSELING OF MINORS

SETTING: Pastoral counseling of a minor must only take place in the professional area of a rectory, never in the living quarters. Offices or classrooms used for pastoral counseling of a minor must have a window in the door, or the door is to be left open during the counseling session.

SUPERVISION: Another adult should be in close proximity during any counseling session.

PARENTAL NOTIFICATION: Unless the subject matter precludes their presence or knowledge, parents or guardians of minors must be made aware of the counseling session. If counseling is expected to extend beyond one session, evaluation of the situation should be made with the parents or guardians.

INAPPROPRIATE ATTRACTION: The adult is responsible to recognize any personal and/or physical attraction to or from a minor. In such a situation, the minor must be immediately referred to another qualified adult or licensed professional. If the attraction is acted upon, the parents/guardians must be notified and appropriate action taken.

ENFORCEMENT / REPORTING: Violations of the Code will be dealt with by the appropriate employing/appointing organization (e.g. the parish, the religious order, the diocesan bishop) in accordance with Civil Law and this Diocesan policy. Penalties may take various forms ranging from counseling to removal from ministry. Violations of this Code must be reported immediately to the appropriate parish, diocesan or civil authority.

Allegations of sexual misconduct by priests, church employees, or volunteers must be reported to the local authority (e/g. Police or Sheriff Department, County Child Protective Services). In the cases involving priests or religious, the Office of the Chancellor of the diocese (510-267-8334) will be notified. In cases involving other employees or volunteers, the Office of Human Resources (510-267-8359) will be notified. The Diocese of Oakland is committed to addressing allegations of sexual misconduct by priests, church employees and all in ministry, observing the prescriptions of civil and canon law. The diocese has made a commitment to assist victims of sexual misconduct and to cooperate fully with public authorities investigating such allegations.

IMPLEMENTATION

Additional policies and procedures may be adopted and enforced by the various ministries, parishes, institutions and departments within the diocese. Such policies must be congruent with the spirit and policies contained within this Code, and must be approved in advance by the Chancellor of the diocese or designee.

Diocese of Oakland Technology Responsible Use Policy Students and Parents

Introduction

The Diocese of Oakland recognizes the various ways, both positive and negative, that students and parents can use technology both in school and at home. Our objective is to fully prepare students to use the resources available in ethical, constructive, productive and intelligent ways as Christian citizens in a global community.

Students are expected to abide by the student responsibilities below anywhere or anytime their actions can affect the school or other students. While the school is not responsible for policing online activity, conflicts online between students, parents, or staff rarely stay online; the school is notified when such conflicts affect the wellbeing of members of the school community. Students and parents who use technology in ways that are contrary to our mission will face disciplinary action, up to and including expulsion.

Jurisdiction and Definitions

While using technology, students are expected to comply with the code of conduct published in the school's parent-student handbook. The school's jurisdiction with respect to conduct includes:

- When the student is on school grounds, or on the way to or from school
- At officially sanctioned school-sponsored events, or on the way to or from such events
- Outside of the school when a student's actions negatively impact another student, staff member, or the school

For purposes of this document, "technology" includes, but is not limited to:

- Hardware: computers, servers, tablets, e-Readers, phones, smartphones, digital cameras, gaming devices, wearable devices (watches, headphones, etc), networking equipment, or accessories
- Software: operating systems and programs
- Services: email, web sites, web apps, learning platforms, internet service

- **Telecommunications:** transmission or publishing text messages, chat room commentary, comments, pictures, videos, audio recordings, posts on social networking sites, blogs, wikis, gaming, chats, and other digital transmissions.

“Personal information” includes a person’s name, address, email addresses, phone numbers, online accounts, or other contact or identifying information.

School Responsibilities

Protecting student data

The school maintains electronic records and shares information from those records in order to provide online educational technology services. Electronic records allow the school to efficiently distribute information to school officials - such as teachers receiving parent phone numbers and email addresses - and to online services. For example, the application Mathletics receives each student’s name, grade level, gender, and email address, used to set up their account. The school only uses services that have high standards for security and privacy, and do not sell or share student data. Most have signed the Student Privacy Pledge (studentprivacypledge.org). Parents may request a review of services in use by the school.

Initial: ___ The school may store and share student information electronically for purposes of distributing that information to school officials and providing educational technology services.

Efforts to protect students online

Internet within the school is filtered with the intent to block access to obscene and non-educational material. In addition, the school has adopted and enforces an Internet safety policy to monitor network activity, promote safe communications, educate students in Digital Citizenship, and prevent unauthorized access to the school network and community data.

Parent Responsibilities

Parents are expected to abide by the code of conduct found in the school’s parent-student handbook, to the extent that their technology use affects other members of the school community. Diocese of Oakland, Department of Catholic Schools

Student Responsibilities

As a member of the school community, I agree to the following rules and code of ethics:

1. I will treat others with respect and compassion in all interactions, including online communication. I will treat others kindly in all communications, including “private” messages. I will not publicly disparage the school, staff, students, or other members of the school community. I recognize that anything sent using technology can be copied and saved forever online.

I will not transmit inappropriate material to others via messages, social media, or other ways. Examples of inappropriate material include messages or images that are intentionally insulting, sexually explicit, racist, sexist, use foul language, depict alcohol or drug use, or include graphic violence. Such material usually upsets other students and is brought to the attention of teachers, even when sent outside of school.

2. I will care for school devices and systems, and not vandalize or intentionally damage them in any way. This includes hardware, software, and internet services owned, provided, or supported by the school. I will not waste school resources like paper or ink.

3. I will respect others' privacy and work, by protecting and not sharing or using passwords, messages, photos, recordings, or personal information of someone without their permission. I will not attempt to log into any device, program, or service as another person. I will protect and respect others' work: for other students, I will not attempt to alter or delete their work without permission. For creators who have shared their work online, I will respect copyright, abstain from piracy, and avoid plagiarism.

4. I will use school technology resources for educational purposes only. I will stay on task during classroom activities using technology. I will not use school devices, software, or systems (like wifi) for non-school purposes like chat, gaming, playing music or watching videos. I will not use school resources for any commercial enterprise. I will not search for material on the internet that is illegal or inappropriate for school, and if I encounter such material accidentally I will not pursue it.

5. I will use personal technology only as directed by staff while at school. I will only use my personal technology (including devices and internet service) at school if allowed by the school and staff. If permitted, I will use my personal technology only for educational purposes. I understand that my personal technology is still governed by this Technology Responsible Use Policy and/or the school's BYOD (Bring Your Own Device) policy. The school will not be responsible for the security, troubleshooting, charging, or repair of personal devices.

Any user who violates the Responsible Use Policy or local, state, or federal law, faces the restriction or loss of technology privileges, disciplinary action, and may face legal prosecution. Parents may be held financially responsible for any student action that results in damage to school technology or a cost to the school.

Distance Learning Addendum for 2020-2021

The need to shift instruction during this unprecedented time requires additional safeguards and acknowledgments. As challenging as the changes of distance learning may be, we are grateful to live in an age where technology allows us to continue teaching and learning safely at home.

Jurisdiction

While students are participating in distance learning, the jurisdiction of the Technology Responsibility Use Policy is expanded to include when students are at home participating in distance learning.

Safe and Responsible Video Conferencing and Live Streaming

Video conferencing is a powerful tool for distance learning. Through video conferencing, teachers may deliver instruction, support students, and facilitate connections between classmates. In addition, there may come a time during the school year when some students are able to return to in-person school, while others continue distance learning. This may necessitate the use of video conferencing to “live stream” the classroom. We recognize that connecting teachers, students, and families in their homes can lead to unintended consequences. In order to maintain a positive, safe “learning environment,” school personnel, parents, and students must adhere to the following guidelines for video conferencing:

School Responsibilities

1. The school will maintain a secure video conferencing system to the best of their ability
2. The school will obtain parent or guardian consent for video conferencing with students
3. Video conferences may be recorded for instructional or archival purposes. The school will obtain parent or guardian consent before recording video conferences. Recordings will be stored securely and not published.
4. Teachers and staff will not video conference 1 on 1 with students without a parent or guardian present.

Student Responsibilities

- 1. Students will not take photos or recordings of video conferences
- 2. Students will not share links or logins for video conference meetings with anyone outside of their class community.
- 3. Students will attend in uniform or school-appropriate attire as directed
- 4. Students will inform others nearby when they are conferencing, especially when the camera or microphone is on
- 5. Students will attend from common areas in homes, such as the family room, dining room, or kitchen.

Initial:

- I give permission for my child to participate in video conferencing with school staff and classmates.
- I give permission for my child’s video conferences to be recorded.
- I give permission for my child to appear in live streams of his or her classroom.

Management Tools in Distance Learning

Some tools in use by the school can monitor or control devices. For example, GoGuardian can allow teachers to see a student’s screen or launch apps during a class session, and Chrome Remote Desktop can control a computer for tech support. These are valuable tools for educators, but they raise concerns when implemented in students homes, particularly on personal devices used for distance learning. To maintain student and family privacy, the school will not remotely operate devices without a student or parent’s consent for each support session. Monitoring data will be used only for educational purposes and to help students stay on task during the school day.

Initial: The school may use tools to monitor, remote control, or update devices used for distance learning.

Internet filtering at home

Internet on devices provided by the school for distance learning may or may not be filtered. Even when filters are enabled, it is possible for these filters to break down or be circumvented. Parents or guardians are responsible for content accessible by the internet in their homes. We recommend OpenDNS Family Shield for a simple, effective, and free home internet filter: [opendns.com/home-internet-security](https://www.opendns.com/home-internet-security)
