

Student Learning Expectations (Core Values)

Student Learning Expectations define the mission of Our Lady of Grace School.

They are the expression of what a graduate from our school will be able to do, know, understand, or value as a citizen of the world. We believe all students can and will learn, achieve, and grow each year.

Our Lady of Grace Catholic School scholars are people of faith who demonstrate:

Unity	
1.1	We are active Catholics unified by our desire to be more like Jesus.
1.2	We work well in groups and recognize that together, we are better.
1.3	We practice self-discipline out of respect for ourselves, our community, our environment, and God's creation.
1.4	We work actively toward identifying ways to understand, evaluate, and synthesize information to improve our lives and the lives of those around us.

Truth	
2.1	We are honest in our academic, social, and personal pursuits.
2.2	We use technology appropriately and effectively.
2.3	We set goals for ourselves and are genuine in our evaluation of our efforts.
2.4	We solve problems creatively, never quitting until the job is done.

Love	
3.1	We follow Jesus' Golden Rule and we treat others as we want to be treated.
3.2	We promote social justice to improve the lives of others.
3.3	We share our time and talents with others.
3.4	We love to learn, and work to be scholars of integrity, empathy, and honor.
